

Annexure B – FOR BUYERS

Andrew Wilson & Co in conjunction with Racing Victoria encourages all Victorian buyers of retired thoroughbred racehorses to “claim” the horse on Racing Victoria’s Off The Track Community.

To register and claim an Off The Track thoroughbred (free of charge) visit: ottcommunity.com.au.

Victorian buyers who purchase an Off The Track thoroughbred through Andrew Wilson and Co and “claim” the horse on the Off The Track Community will receive a tailored merchandise pack for a Thoroughbred that will reside in Victoria.*

The Off The Track Community provides owners and riders with the latest Off The Track news and educational resources to support their passion for thoroughbreds, and the chance to showcase and share how their thoroughbred is progressing post-racing.

Off The Track Community members will also have direct access to Racing Victoria’s statewide network of Acknowledged Retainers, an Off The Track events calendar, transition guide, rehoming assistance programs, and be able to register as a thoroughbreds “Full Circle” emergency contact.

The Off The Track Community is also helping Racing Victoria improve its visibility of retired Victorian racehorses to better understand their movements post-racing and where it can best direct its support.

To find out more, visit the Off The Track Community at: ottcommunity.com.au.
